**OPTIVOR WINS PHILADELPHIA VAMC CONTRACT**

PHILADELPHIA – Optivor Technologies has been granted a multi-million dollar contract with the Department of Veterans Affairs Medical Center in Philadelphia. The multi-year outsourcing contract will provide the VAMC’s telecommunications system with support services.

Optivor’s Founder, Stuart Chandler commented, “Optivor is pleased to be selected as the VA Medical Center’s best value in an open competition. We look forward to supporting the VA’s mission through competency, responsiveness and value.” Optivor’s innovative proposal included leveraging current investments while revitalizing infrastructure. Chandler added, “As the VA’s trusted advisor, we plan to have a positive impact on the VA’s telecommunications strategy for several years.”

Optivor, based in Ellicott City, Maryland, serves clients in 46 states and 16 countries.
